

**GENERAL MOTORS COMPANY
AUDIT COMMITTEE CHARTER**

Amended and Restated: December 13, 2017

Purpose

The purpose of the Audit Committee is to assist the Board of Directors of General Motors Company in its oversight of the quality and integrity of GM's financial statements, GM's compliance with legal and regulatory requirements, the qualifications, performance and independence of the external auditors and the performance of GM's internal audit staff.

The Committee shall (among other responsibilities and duties specified in this Charter):

- independently and objectively monitor the effectiveness of GM's financial reporting process and systems of disclosure controls and internal controls;
- select and engage GM's external auditors and review and evaluate the external auditors' audit process ;
- review and evaluate the scope and performance of the internal audit function;
- provide for open, ongoing communications regarding GM's financial position and affairs between the Board and the external auditors, GM's financial and senior management, and GM's internal audit staff;
- review GM's policies and compliance procedures regarding ethics and legal risk;
- oversee the preparation of the Audit Committee Report for the annual proxy statement; and
- provide periodic status reports to the Board.

The Committee's function is not to replace the Company's management, internal auditors and external auditors; rather, it is to oversee their activities. It is the responsibility of the Company's management to prepare the Company's financial statements and to develop and maintain adequate systems of internal accounting and financial controls, and it is the internal and external auditors' responsibility to review and, when appropriate, audit these financial statements and internal controls. The Committee recognizes that the financial management and the internal and external auditors have more knowledge and information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee does not provide any expert or special assurance as to the Company's financial statements or internal controls or any professional certification as to the external auditors' work.

Membership

The Committee shall be composed of no fewer than three independent members, and the Committee's composition shall satisfy the Listing Standards of the New York Stock Exchange relating to audit committee membership and such other requirements as shall be provided in the Securities Exchange Act of 1934 ("Exchange Act"), and rules promulgated thereunder, the Company's bylaws or as the Board

shall otherwise determine. Members also shall be “financially literate,” and the Committee shall have at least one member qualified as an “audit committee financial expert” as defined by applicable regulations.

The members of the Committee and the Committee Chair shall be appointed, and may be replaced, by the Board upon consideration of the recommendations of the Governance and Corporate Responsibility Committee; provided, however, that all members of the Committee shall be independent directors. The Committee members and the Committee Chair shall serve until they are replaced, they resign or their successors are duly elected and qualified.

Meetings

The Committee shall meet as often as may be deemed necessary or appropriate. Attendance by a majority of the Committee members at a meeting constitutes a quorum for the transaction of business. Except as otherwise required for regulatory reasons or otherwise desired by the Committee, the Chairman of the Board and the Lead Director, if elected, shall be invited to every meeting and other directors who are not members of the Committee may attend meetings at the discretion of the Committee Chair, but such non-Committee members shall have no voting rights. The Committee Chair may ask members of management or others to attend all or any portion of any meeting or to provide relevant information in written form. The Committee shall meet periodically in executive session absent GM management.

The Committee Chair shall be responsible for scheduling all meetings of the Committee and providing the Committee with a written agenda for each meeting. The Committee Chair shall preside at the meetings of the Committee. In the absence of the Committee Chair, the majority of the members of the Committee present at the meeting shall appoint a member to preside at the meeting.

The Committee Chair shall report to the full Board regularly following each meeting and make such recommendations to the Board as the Committee deems appropriate. The Committee may adopt such other rules and regulations for calling and holding its meetings and for the transaction of business at such meetings as is necessary or desirable and not inconsistent with the provisions of the bylaws or this Charter.
