

THE OPTIONS CLEARING CORPORATION TECHNOLOGY COMMITTEE CHARTER

I. Purpose

The Board of Directors (“Board”) of The Options Clearing Corporation (“OCC”) has established a Technology Committee (the “Committee”) to assist the Board in overseeing OCC’s information technology (“IT”) strategy and other company-wide operational capabilities. The purpose of the Committee is also to advise management regarding these aspects of OCC’s operation.

In fulfilling its responsibilities, the Committee shall prioritize the safety and efficiency of OCC, generally support the stability of the broader financial system and consider the legitimate interests of Clearing Members, customers of Clearing Members and other relevant stakeholders taking into account prudent risk management standards (including systemic risk mitigation) and industry best practices.

II. Membership and Organization

Composition. The Committee shall be comprised of three or more directors as appointed annually by the Board. The Board may remove or replace any member of the Committee at any time. Unless a Chair is elected by the full Board, the members of the Committee shall designate a Chair by majority vote of the full Committee membership. In the absence of the Chair at any meeting of the Committee, those members of the Committee present shall designate a Committee member to serve as Acting Chair. In fulfilling their responsibilities, it is recognized that the members of the Committee are not full-time employees of OCC and are not, and do not represent themselves to be, technology experts.

In the event of a vacancy on the Committee, the Committee will continue to undertake its responsibilities, so long as the remaining Committee members are capable of satisfying the quorum requirement.

- A. Meetings. The Committee will meet at least four times a year. Other meetings may be called by the Chair as circumstances dictate. The Committee Chair or its designee, in consultation with management, as well as the Corporate Secretary, shall establish the agenda for Committee meetings. The members of the Committee may ask members of management or others to attend the meeting and provide pertinent information as is necessary. The Committee may call executive sessions from which members of management and invited guests may be excluded. Individual Committee members also may be excluded from executive sessions or portions thereof at which the discussion involves a matter as

to which that member has an actual or potential conflict of interest. The Committee will meet in executive session at each regular Committee meeting and will determine who will participate in such session. The Committee Chair or the Acting Chair, as applicable, will serve as chair for an executive session. The Members of the Committee may participate in meetings by means of a conference telephone call or other means of communication that allows all participants in the meeting to hear each other. However, as provided in the Code of Conduct for OCC Directors, attendance by telephone is discouraged.

The Committee shall meet regularly, and no less than once annually, with members of management in separate executive sessions to discuss any matters that either side believes should be discussed privately. The Committee shall meet regularly, and no less than once annually, in separate executive sessions with the Chief Security Officer (“CSO”) in order provide for the CSO’s autonomy and independence. Between meetings of the Committee, the CSO is authorized to communicate directly with the Chair with respect to any of the responsibilities of the Committee.

- B. Quorum. A majority of the Committee members shall constitute a quorum for the transaction of business.
- C. Minutes and Reports. The Committee shall maintain minutes of all Committee meetings. The Chair or Acting Chair, as applicable, shall determine whether separate minutes of an executive session are to be recorded as well as determine the level of detail to be included in such minutes, taking into consideration the sensitivity of the matters to be discussed and the possibility that candor may be limited if detailed minutes are recorded. It is expected that meeting minutes will reflect that an executive session was convened and broadly describe the topic(s) discussed. Minutes of Committee meetings shall be circulated to the Board.

The Committee shall make such reports to the Board as deemed necessary or advisable. The Committee Chair is responsible for ensuring that important issues discussed at the Committee meetings are reported timely to the full Board. On an annual basis, the Committee shall provide a report to the Board summarizing its activities during the previous year.

III. Authority

- A. Scope. Subject to the direction of the Board, the Committee is authorized to act on behalf of the Board with respect to any matter necessary or appropriate to the accomplishment of the purpose and responsibilities set forth in this Charter. The Committee shall confer with management and other employees of OCC to the extent it may deem necessary or appropriate to fulfill its duties. Where the Committee is authorized to approve reports or proposals provided to it by management, the Committee may or may not approve such matters in its business judgment. If the Committee does not approve such a report or proposal, it shall report to management that it has not approved such matter and may provide direction as to revisions or alternative courses of action as appropriate.
